Subject: Vote results

Dear CI Faculty,

The results of the votes from yesterday's process yielded the following results:

10 tenured and tenure track faculty voted.

6 voted in favor of the Program Change Proposal.

2 voted "no" or not in favor of the Program Change Proposal. One of these votes indicated the vote would be "yes" if an AP position (eg. a CPA, etc) were added to support the Director of the School.

2 voted as abstaining.

Sincerely,
