Dave & Lizette-

The CCJ faculty met to vote on the program change plan on Friday, May 11th, 2018 at 1pm. Voting was completed by secret ballot as detailed in the attached minutes from this meeting. The outcome was a vote of 9-1-0 approving the plan.

The attached minutes have not been reviewed or approved by the faculty (that likely won't happen until our first meeting of the fall semester). However I am providing them since minutes were maintained and thus must be provided in accordance with your email dated April 27, 2018.

Please let me know if you have any questions or require any additional materials or documents.

Joe
