Subject: Forestry vote on proposed reorganization change plan
Attachments: Change Plan SAS vote and statement Forestry.pdf

Karen, Dave, and Lizette,

The tenured or tenure-track Forestry faculty reported to me the following vote tally on the Proposed Change Plan to establish a School of Agricultural Sciences merging the Departments of Agribusiness Economics, Plant, Soil and Agricultural Systems, Forestry, and the degree programs separated from the Department of Animal Science, Food and Nutrition.

0 yes
4 no
1 abstain

2 not voting

I have attached a document/statement provided to me.

Sincerely,

Jim
