Subject: Kinesiology voting results - School of Management and Marketing
Attachments: Kinesiology -PVC-Approval Form-School of Management and Marketing.pdf; Kinesiology response Management and Marketing.pdf

Good afternoon,

The purpose of this email is to report the voting results from the Department of Kinesiology regarding the creation of the School of Management and Marketing. There are two documents attached to this email. First, you will find the PVE-Approval Form for the School of Management and Marketing, which includes our voting results. Second, you will also find attached to this email a response letter from the Faculty of the Department of Kinesiology. The letter is addressed to Chancellor Montemagno, the Graduate Council and the Faculty Senate.

Please let me know if you have any questions or would like additional information.

Kind regards,
Jared

Jared M. Porter, Ph.D.
Interim Department Chair
Graduate Program Coordinator
Motor Behavior Lab Director
