**Subject:** School of Human Sciences meeting and vote - PHRP

All tenured, tenure-track, and non-tenure track faculty and staff of the Department of Public Health and Recreation Professions were invited to attend a meeting this morning to consider the proposal to form a School of Human Sciences.

The group decided that formal minutes were unnecessary. Following discussion, a vote concerning the proposal was held by secret ballot. Ballots were placed in an envelope. The envelope was opened and ballots were subsequently read one-by-one aloud by a non-voting member. I confirmed the ballots as read aloud.

The results of the vote that included all eligible voting members of the Department:

To form the School of Human Sciences: 4  
Against forming the School: 0  
Abstain: 2

Dear Dr. McDermott:

As we discussed on the 10<sup>th</sup> of this month, we feel it is in the best interest of all parties for the SIU Motorcycle Program and Regional Traffic Safety Resource Center to remain in your department. We write this memorandum to request your advocacy in keeping us in touch with our mission to help prevent injuries.

Please feel encouraged to contact either of us with any questions or concerns you may have.

Thank you for taking the time to make an informed decision based on the best interest of our long-standing programs and the University to keep the Motorcycle Program and Regional Traffic Resource Center in Public Health and Recreation Professions.

Sincerely,

Jared Borrenpohl, Coordinator of the Motorcycle Rider Program

Rachel Walker, Coordinator of the Traffic Safety Resource Center
