Subject: Political Science vote on M&M School Plan
Attachments: PVC-Approval Form-School of Management and Marketing POLS.pdf

Dave,

Political Science voted today at 12:00. Burnside, Davis, Stewart, and I were in attendance at the meeting. Voting was allowed during the meeting, votes could and were cast prior to the meeting. The vote tally is

Yes 5 No 1 Abstain 5

The PVC approval form is attached. On the form, I marked this as "approved" because the Yes/No vote was 5-1.

To my knowledge, there were no minutes taken in any of the meetings.

There is also no report from the faculty. I've told the faculty that if they write a report, they should send it to you.

There will be a letter of support for the move from the MPA Advisory Board. Prof. Davis will forward you that letter when he receives it.

I will be writing a letter, as chair, in support of the plan. I will send it to you by Friday.

Tobin
