

## **Ken Evans Information**

Note: These links contain news stories and other items publicly available on the internet that pertain to the Lamar University Faculty Senate investigation of budgetary practices under Dr. Evans. A good faith effort was made to find pertinent items, and additions or corrections are welcome. The resulting list may, however, not be comprehensive, nor is a link to an item meant to imply that the information in that item is accurate.

This list does not attempt to provide a full or representative sample of public source coverage of Dr. Evans, a more ambitious undertaking than resources allowed; it is instead limited to items concerning this particular controversy.
